Official Listing of Eligible Suppliers to the EV Program for Japan

NOTICE: (Update) Please read carefully.

Effective January 20, 2006, no additional facilities will be audited and approved for the EV Program for Japan. This prohibition on approvals of additional EV Programs for Japan will continue until further notice. All audit activities pertaining to the EV Program for Japan are suspended and will not be resumed until the approval process has been reinstated. Facilities may be audited and approved for other EV and BEV Programs.

The suppliers listed below conform to the criteria of their approved USDA Quality System Assessment Program and the specified product requirements for Japan. Consequently, they are eligible suppliers to the EV Program for Japan.
